## LEASE SMARTER. TAKE CONTROL.

### YOU MAY DO EVERYTHING YOU CAN TO PROTECT YOUR LEASE VEHICLE.

You may go the extra mile to keep your car clean. You abide by your vehicle's recommended maintenance schedule. You may even park strategically to avoid other vehicles.

### BUT, IS IT ENOUGH?

No matter how hard you try to protect your lease vehicle, things like dings, dents and scratches are almost inevitable over time.

- The chip in the windshield
- The scrape on a bumper
- The ding from a shopping cart

These are just a few examples of potential excess wear and use incidents that can happen to anyone's vehicle.

**NO CLAIMS TO SUBMIT  
NO DEDUCTIBLES TO PAY  
NO REIMBURSEMENTS TO REQUEST.**

**Backed by Lexus Financial Services, this plan simplifies your lease-end experience with a seamless and convenient process.**

## EXPECT THE UNEXPECTED

As a part of everyday driving, normal wear and use can be expected. However, when turning in a lease vehicle, you are responsible for any wear and use damage that is considered excessive under the terms of your lease.

Don't be caught off-guard by unforeseen expenses.

The Excess Wear & Use Protection Plan from Lexus Financial Services helps waive your responsibility for qualifying excess wear and use charges at lease-end, including:

- Each covered single event valued at \$2,000 or less
- Each covered missing part or equipment valued at \$250 or less
- Up to a maximum of **\$7,500** in total excess wear and use charges<sup>1</sup>

**This protection plan is only available when you lease your new Lexus.<sup>2</sup>**

Lease smarter and take control. Ask your participating Lexus dealer for details today.

<sup>1</sup> Plan does not waive excess mileage.

<sup>2</sup> Plan is only available on leases originated through your Lexus dealer and Lexus Financial Services. Please see your Excess Wear & Use Lease Addendum for full details on terms, limitations and exclusions.

Under certain circumstances, Lexus Financial Services may elect not to charge for excess wear and use damage.

## COMMON EXAMPLES OF EXCESS WEAR & USE

Damage to tires, rims or hubcaps

Interior cuts, burns or stains

Damaged bumpers, body dents, dings or scratches

Broken or scratched windshield, windows, mirrors or lights

Missing parts or equipment

Photos are examples only. Covered wear and use items must be within plan limits.
